86 Points Robert Parker~Wine Advocate

Our Unfiltered 2010 Barlow Merlot is deep in color with intense fruit flavors reminiscent of black cherries, currants, and blackberries. On the palate, it is rich and opulent, bursting with flavors of black fruits backed by chocolate and vanilla oak notes and round, chewy tannins. Though enjoyable at present, this classic wine has the structure and intensity to improve with aging. **100% Merlot 346cases Estate Grown**

GOLD~San Francisco Chronicle Wine Competition

90 Points Wine Advocate

The 2010 Barlow Estate Cabernet Sauvignon has tremendous richness as a result of the fruit's ripeness, and a solid tannin structure that will allow it to mature nicely over time. Dark and decadent, but with a good showing of balance and complexity makes this wine accessible now, but can also be cellared for years to come. The aroma captures the property with its classic black sour cherry and a hint of sweet French oak. **100% Cabernet Sauvignon 679cases Estate Grown**

GOLD~ San Francisco Chronicle Wine Competition

86 Points~Wine Advocate

The 2010 "Barrouge" Cabernet Sauvignon has wonderful, opulent cherry and blackberry flavors that harmonize with the vanilla and spice from the French oak. The lush, dark, jammy fruit offers a silky entrance that expands and coats the palate, while the tannins are rich and supporting, leading to a lengthy finish, with roasted almonds and cocoa.
